

## Early Introduction to Health Careers (EIH2) Application Instruction Sheet

The Western Michigan University Homer Stryker M.D. School of Medicine is pleased to announce the second year of the Early Introduction to Health Careers program. Students in 10, 11, and 12 grade will have the opportunity to explore science through a health care lens, with hands-on instruction and activities facilitated by current medical students and faculty. The program will meet in-person one Saturday a month starting from 9:00 a.m. to 12:00 p.m. beginning in October and concluding in June. Students that successfully complete the program will have the opportunity to participate in a two-week summer camp experience held jointly at Kalamazoo College and the WMU School of Medicine.

All students are required to participate in the program's entirety. Failure to attend may lead to removal from the EIH2 program. For questions, please contact Candace Moore at [candace.moore@med.wmich.edu](mailto:candace.moore@med.wmich.edu) or 269.337.4538
