

FIRST SESSION
BEGINS
OCTOBER 3,
2026

EARLY INTRODUCTION TO HEALTH CAREERS

P R O G R A M

Explore the World of Medicine

Are you a **10th, 11th, or 12th grade student** in a Kalamazoo County school who is interested in medicine, science, or a career in health care? Apply by **September 25, 2026**, for this **exciting mini-medical school program** at **Western Michigan University Homer Stryker M.D. School of Medicine (WMed)**.

Through this program, you will:

- Work alongside medical students
- Explore the human body and biomedical sciences
- Learn about careers in health care
- Connect with and receive mentorship from medical professionals
- Hear first hand stories about life and careers in medicine

All interested students are
encouraged to apply!
